School Overview

Bwgcolman Community School is a Pre-prep to Yr 12 school situated on Palm Island, an Aboriginal Community 65 kms north west of Townsville. Our School vision is encapsulated by the words: Two Way Strong (proud and strong in Indigenous identity but able to successfully engage in mainstream). Our key work is around lifting school attendance and working closely with Queensland Health to address large numbers of hearing-related problems with our students that hinder their progress at school. Curriculum focuses on literacy and numeracy teaching and learning, with a cultural curriculum delivered for half a day per week in the Junior Secondary School.

Principal's Foreword

Introduction

The Annual School Report provides parents and the community with an overview of the achievements and highlights of Bwgcolman Community School for the 2017 academic year. This report includes summary information on our student achievements in the National Assessment Program, student retention rates, curriculum offerings and information relating to the professional work of our staff.

Bwgcolman Community School is a Pre- Prep to Year 12 state school providing a caring and nurturing education for all our students. Our school's programs and practices embed our motto, "Two Way strong". Our students and staff work towards being strong in indigenous culture and strong in mainstream culture and our programs and school trips reflect our commitment to this.

School Progress towards its goals in 2017

- Reading all students were tracked for their performance in this area. All students set targets for achievement in reading. Staff accessed significant PD to improve their own capability to teach reading.
- Attendance Promotion- student/ family /community connectedness- Increasing student attendance was a key focus for 2017. Attendance rates improved by 2%
- Early Years Education & Hearing Health Pre-Prep engaged more significantly with literacy this year with goal setting and explicit instruction.
- Solid Futures- links were made with local employers as well as with several RTO's to provide choice for our senior students.
- Staff Capability Development- coaching and mentoring- Several staff accessed external programs to improve their skill set in this area and then share that with other team members.
- Pedagogical Framework- Fully embedded 'Gradual Release of Responsibility' into our school

Future Outlook

- Successful Learners- Attendance, academic engagement and pathways.
- Teaching Quality- Evidence based approaches, AITSL aligned capacity building.
- School Performance- Case management of reading BCE/BCIA and QCE/QCIA attainment.
- Engaged Partners- Family liaison and community linkages and interschool collaboration.
- Reading Maintaining a focus on reading particularly in the early years.
- Attendance and Retention- Working with other organisations who support our attendance strategies.

Characteristics of the Student Body

Overview

We are a remote indigenous community located approximately 65km northwest of Townsville with a student body comprised of 100% Aboriginal and Torres Strait Islanders. Our school has an ICSEA index level of 643. A sample testing sweep of the student body using Education Queensland's English as an Addition Language/Dialect (EAL/D) speaking Bandscale indicates we have 93% EAL/D users at the school. Averaged for years, 5 years, 75% of students present with some level of hearing loss.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES					
Phase	2015	2016	2017		
Prep – Year 3	23	19	20		
Year 4 – Year 6	24	20	16		
Year 7 – Year 10	25	20	16		
Year 11 – Year 12	23	18	11		

Curriculum Delivery

^{**} pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (https://qed.qld.gov.au/earlychildhood/families/pre-prep-indigenous).

Our Approach to Curriculum Delivery

- School Wide Positive Behaviour for Learning: A school wide approach to behaviour, including rewards systems and explicit teaching of positive behaviours.
- Bandscales: Incorporates Reading, Speaking, Listening and Writing and diagnoses where students are functioning in relation to speaking Standard Australian English.
- Cultural Days: Are days held to celebrate and teach culture to the students and provide cultural awareness for non-Indigenous community members.
- EAL/D Team: Work as a team to develop teaching ideas and offer support for teachers within the school so they can effectively teach students with English as an Additional Language or Dialect.

Extra-curricular Activities

- Primary students compete in the annual Obe Geia Carnival
- Netball for Junior Secondary girls afternoon training and matches
- Primary girls compete in the Kathy Tarpaulin Netball Challenge
- · Student leadership Council activities including meetings with various groups and participation in ANZAC day
- · AFL training sessions with QAFL culminating in a trip to compete in the Magnetic Island carnival
- AFL Garbutt Magpies Boys to Men
- AFL Garbutt Magpies Senior Cup Post-Secondary Pathways
- Challenge Games from students with disabilities
- Unsettled Film Project
- Global Tropics Futures STEM Enrichment Academy
- World Science Festival
- OZTAG All Schools Tournament
- Air Force Indigenous Cadets
- Cathy Freeman Horizon trips to Melbourne, Sydney and Canberra.
- Work Expo held at PCYC that was participated in by secondary students.

How Information and Communication Technologies are used to Assist Learning

Bwgcolman Community School students have access to a wide variety of ICT resources to assist learning. In order to promote student engagement, each classroom is equipped with audio-visual equipment (digital projector, speakers). All classrooms are also fitted with, and use as part of daily practise, hearing soundfield systems to support the needs of all who teach and learn in them including those who find learning difficult or who have deficits such as auditory processing disorders, ASD or loss of hearing.

The school has continued to invest in having a strong ITC presence in classrooms by purchasing multiple class sets of laptops which are fitted to store and charge trolleys and can be wheeled between classrooms for maximum usage.

Teachers are strongly encouraged to utilise their CFT's as part of their class routine to access multi-modal stimulus materials. Teachers are employing their video and photographic potential to capture student responses and performance and beginning to upskill students in using the iPads and laptop cameras to deliver and record presentations.

Social Climate

Overview

Through our SWPBL team, our school actively promotes inclusivity and proactive strategies to enhance socioemotional well-being. The school has three key messages of Respect, Responsibility and Safety which are embedded in whole-school dialogue including parade presentations; behaviour management routines; student goal setting; and referred to in our student reporting processes. An additional message of Two Way Strong acknowledges student ability to operate successfully in both Palm Island and Mainland dialogues and academic and social undertaking.

Our School-Based Health Nurse is actively engaged with students across the school through the coordination of oral health, immunisation, hygiene, BBC, sexual health and substance misuse programs and workshops for 6 months of the year. Collaboration exists between the school and the local health care hub to provide informative sessions for students and parents and encourage access to allied health services available in community and online.

At a recent audit, the school's response to Embedding Indigenous Perspectives into teaching and learning was acknowledged to be of high standard. In addition to this, each Friday within the secondary school, students are engaged in Men's and Women's Business which promotes local culture, social awareness and healthy lifestyles. In Primary, students in years 5 and 6 participate in a contextualised health and wellbeing program that aligns with the Australian Curriculum.

Community celebrations occur each Term with the Starting Block awards as well as numerous opportunities for family and community to join in with our Pre-Prep activities. Open afternoons operate in the Primary and Secondary sectors. Parents and family are encouraged to attend and visit the classrooms to see what their children are learning. Cultural activities also occur throughout the year and these are well supported by parents and the wider community. The majority of parents believe that our school is a good school, that their child is treated fairly and motivated to do well.

Parent and community engagement

Bwgcolman Community School has an open door policy and provides opportunities for families and teachers to establish positive and supportive relationships. It is important for the teaching staff to actively engage with the Palm Island Community. The teachers are encouraged to invite parents and to go out to visit parents at the beginning of the year and to deliver students report cards. The School has adopted the term 'Home visits'. Home visits allow teachers to communicate information with parents and carer's. The information isn't only negative but positive reports as well. Cathy Freeman Foundation awards ceremonies each term provide parents and carer's with opportunities to come into the school and view students work and celebrate their child's achievements. The school's Pre-Prep Program exceeded National Guidelines in the recent Assessment Review.

Respectful relationships programs

Through the school's SWPBL processes, staff and students focus on particular positive and respectful behaviours each fortnight. The focus lessons teach students about appropriate, respectful, equitable and healthy relationships & behaviours.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

scно	OL DISCIPLINARY ABSEN	CES

Environmental Footprint

Reducing the school's environmental footprint

In 2017, staff photocopying allowances were introduced. This saw a significant decrease in the amount of paper being wasted. Staff were made responsible for turning off all lights, air-conditioners and electrical appliances in their classrooms.

Ef	NVIRONMENTAL FOOTPRINT INDICATORS	
Years	Electricity kWh	Water kL
2014-2015	53,717	

^{#&#}x27;Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement. DW = Data withheld to ensure confidentiality.

Years	Electricity kWh	Water kL
2015-2016	228,542	
2016-2017	352,884	

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Key Student Outcomes

Student Attendance

Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2017							
Description	2015	2016	2017				
The overall attendance rate* for the students at this school (shown as a percentage).	68%	68%	70%				
The attendance rate for Indigenous students at this school (shown as a percentage).	67%	68%	70%				

^{*}The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

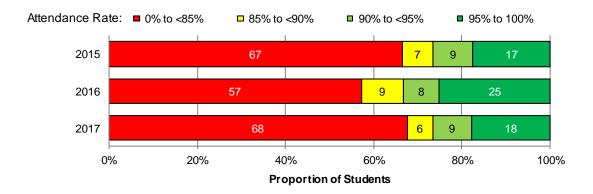

The overall student attendance rate in 2017 for all Queensland P-10/P-12 schools was 90%.

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL													
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2015	70%	77%	80%	77%	79%	81%	76%	66%	50%	48%	46%	53%	53%

2017	74%	70%	78%	72%	74%	73%	68%	70%	56%	65%	52%	65%	80%

^{*}Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

Student Attendance Distribution

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences* and Enforcing Enrolment and Attendance at State Schools and Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

Attendance promotion is a key driver at Bwgcolman Community School that is explicitly documented in our Annual Implementation Plan. We work with community stakeholders to enact a holistic approach to increase student attendance. At a school level, the following actions occur:

Daily Roll Marking Procedures

- □ ID Attend was introduced to the school at the end of 2015.
- ☐ Classroom teachers are required to mark the class roll at least twice a day;
- ☐ The classroom roll is a legal document that needs to be signed each day by the classroom teacher at those times when it is required eg lead up to day 8;

DW = Data withheld to ensure confidentiality.

☐ School Attendance Officers support the school to promote attendance every day.

When attendance requirements are not met by a student, the following actions occur:

Student Absence Information

1 Day Absence

Teachers follow up all student absences by asking for notes from parents, conducting a home visit or urging students to have their parents contact the school office for and explanation. An explained absence is then recorded into OneSchool by the Roll Marking Officer.

- 3 Day Absence
- ☐ Teachers, with the assistance of support personnel, are required to follow up this period of absence;
- □ Several options are available to the teacher to complete this task. A OneSchool Absence Report can be printed and sent to the family, a phone call directly to parents or a home visit can be conducted.

10 Day Absence

□ Administration follow up (Deputy Principal and CECs) will be initiated at this stage in the process.

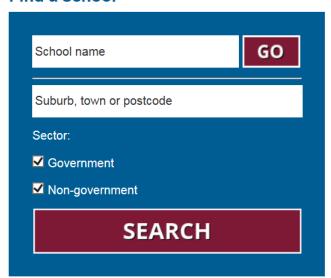

Bwgcolman Community School implements a number of strategies to increase student attendance to or above its target of 90%. Students and families are rewarded on a termly basis for achieving 90% or greater attendance.
